

5230 Cherry Wood Dr. Naples FL 34119

2082 SQ AC

\$524,000

ML# 218082849

In the heart of the much sought after area of Logan Woods. This 3 bed 3 bath ranch is like brand new. Walk through the front doors into a spacious open floor plan. French doors open to the screened lanai and on to the paver patio in the back yard. Added living space with an oversized family room with an additional full bath. This room lends itself to many possibilities including a guest suite. This ranch home is a complete renovation. New kitchen with stainless steel appliances and granite countertops. Walk in pantry for extra storage space. Huge laundry room doubles as storage space. A new roof is also being installed. This home is ready for the buyer's special touches to make it home.
